Dear Mr. Schwenke,

On behalf of the Redondo Beach Unified School District, we would like to compliment you on your Safe T Climb Ladder Anti-Fall Device. It is truly amazing how something so simple can be so supportive and secure. My maintenance crew is very impressed with your product. I wouldn't put a man on a ladder without this device again.

Anybody using a ladder should use this for the safety of their crew. I for one will not allow the use of any extension ladder without the Ladder Anti-Fall Device.

Thank you,

Fred Naile
